Housing Authority of the
County of Los Angeles

Los Angeles, California 90012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Commissioners:

APPROVE JOB ORDER CONTRACT (ALL DISTRICTS) (3 VOTES)

SUBJECT

This letter recommends approval of a Job Order Contract (JOC) with MTM Construction, Inc. to provide maintenance, repair, refurbishment, rehabilitation and other repetitive-type work for Housing Authority developments without extensive plans and specifications.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Executive Director or his designee to execute, implement, amend and if necessary terminate a JOC for an amount not to exceed a cumulative total of \$2,000,000 with MTM Construction, Inc. to provide maintenance, repair, refurbishment, rehabilitation and other repetitive-type work at various Housing Authority housing developments in an as-needed basis using public housing operating funds, non-conventional funds and Capital Fund Program (CFP) funds allocated by the U.S. Department of Housing and Urban Development (HUD).
2. Authorize the Executive Director or his designee to issue work orders to MTM Construction, Inc. under the JOC up to but not to exceed the cumulative total of \$2,000,000.
3. Find that the approval of the JOC is exempt from the provisions of the California Environmental Quality Act (CEQA) because the work includes activities that will not have the potential for causing a significant effect on the environment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

A JOC program is a flexible, cost-effective, unit price, and indefinite quantity contracting method used to effectively and efficiently accomplish maintenance, repair, refurbishment, rehabilitation and other repetitive-type work at Housing Authority developments without extensive plans and specifications. This process reduces administrative requirements, and lowers direct construction costs while meeting all Federal, State, and County procurement requirements.

On January 4, 2011, your Board approved the award of a contract to the Gordian Group for consulting services to assist the Housing Authority with the development, implementation, and support of the JOC program. With the assistance of the Gordian Group consultants, the Housing Authority publicly advertised for bids on an open competitive basis and in accordance with applicable Federal, State, and County requirements, and is recommending award of the JOC to MTM Construction, Inc., the lowest responsive and responsible bidder.

JOC programs have been successfully implemented by the County's Internal Services Department, Department of Public Works and other local and federal agencies.

During the implementation of the JOC pilot program, Housing Authority staff will compare total project delivery costs and project completion schedules on a reasonable range of projects using both JOC methods and the standard procurement process, in order to further evaluate the cost-effectiveness of the JOC program.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The contract will be funded with various program funds allocated by HUD, included in the Housing Authority's approved Fiscal Year 2010-2011 budget and to be included in the Housing Authority's Fiscal Year 2011-2012 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Housing Authority has selected MTM Construction, Inc. to complete maintenance, repair, refurbishment, rehabilitation and other repetitive-type work at Housing Authority developments under the JOC program. The JOC has been approved as to form by County Counsel and executed by MTM Construction, Inc.

The program is being federally funded, and is not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, MTM Construction, Inc. will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.34 (a)(3), this action is excluded from the National Environmental Policy Act because it involves activities that will not alter existing environmental conditions. The recommended action is further exempt from the California Environmental Quality Act (CEQA) because it can be seen with certainty that there is no possibility

that approval of the projects may have a significant impact on the environment pursuant to Section 15061(b)(3) of the State CEQA Guidelines. The proposed projects are covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Your Board's approval of the JOC does not include approval of work done pursuant to specific work orders. The implementation of each work order under the JOC shall be subject to prior determination and documentation by the Housing Authority that the work is categorically exempt from CEQA. In the event the work is not exempt, your Board will be requested to approve the appropriate environmental finding and any applicable documentation pursuant to CEQA prior to implementation of work orders under the JOC.

CONTRACTING PROCESS

On March 23, 2011, the Housing Authority initiated an outreach to identify a contractor to complete work under the JOC program. Announcements were sent to 25 contractors identified from the Housing Authority's vendor list. Advertisements also appeared in one local newspaper and on the County and Housing Authority websites.

On April 20, 2011, ten bids were received and ten bids were formally opened. The lowest bid, submitted by MTM Construction, Inc., is being recommended for the JOC award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this JOC will expedite the completion of maintenance, repair, and refurbishment of the Housing Authority's housing developments and will continue to provide residents with decent, safe and sanitary living conditions.

Respectfully submitted,

Dodge Construction News/Green Sheet

An announcement was also posted on the County and Housing Authority websites.

B. Distribution of Bid Packages

The Housing Authority's vendor list was used to email out Invitations for Bids to 25 contractors, of which 12 identified themselves as businesses owned by minorities or women (private firms which are 60 percent owned by minorities or women, or publicly-owned businesses in which 56 percent of the stock is owned by minorities or women). As a result of the outreach, twenty-three bid packages were requested by contractors.

C. Pre-Bid Conference and Site Walk

On April 6, 2011 a mandatory pre-bid conference was conducted. Twenty-three firms were in attendance.

D. Bid Results

On April 20, 2011, ten bids were received and were formally opened. The bid result was as follows:

Contractors provided Adjustment Factors which will be applied to items listed in the Construction Task Catalog (CTC) in order to determine the cost of jobs. MTM Construction, Inc.'s Adjustment Factor of 0.66 indicates that MTM Construction, Inc. will charge the Housing Authority 66% of the listed price for items in the CTC. For items not listed in the CTC, MTM Construction, Inc. will charge the Housing Authority 110% of the total cost.

Normal Working Hours are shifts during the period of 7:00 a.m. to 6:00 p.m. Monday through Friday, except for County of Los Angeles- observed holidays. Other than Normal Working Hours are shifts not covered under Normal Working Hours. For the purposes of determining the low bid, the Normal Working Hours Adjustment Factor was multiplied by 0.60, for the Other Than Normal Working Hours Adjustment factor shall be multiplied by 0.30, and for the Non Pre-Priced items not found in the CTC Adjustment Factor shall be multiplied by 0.10 (the range for the Non Pre-Priced is 1.0500 minimum and 1.2500 is a maximum). These three numbers were summed for a composite bid, and the lowest composite bid was considered the low bid.

The Owner shall cause the Notice of Completion to be recorded with the County Recorder.

ARTICLE 7 BREACH AND TERMINATION

- 7.1 Waiver by the Owner of any breach of this Construction Contract shall not constitute a waiver of any other breach or of any future breach. No payment made hereunder shall be construed to be an acceptance of defective Work or improper materials.
- 7.2 In addition to any right of termination reserved to the Owner by Section 01003 paragraph 3.10 of the Instruction to Bidders of the Construction Contract, the Owner may terminate this Construction Contract or performance under this Construction Contract, if the Contractor is adjudged bankrupt, a receiver is appointed because of the Contractor's insolvency, or the Contractor makes a general assignment for the benefit of its creditors, fails to make prompt payment to subcontractor(s), or for material or labor, persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, fails to construct the project in accordance with the Drawings and Specifications, or otherwise substantially violates any provision of the Contract Documents.

Upon termination, the Owner may take possession of the project and all materials, equipment, tools, and construction equipment and machinery owned by the Contractor and located at the project site, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment under this Construction Contract.
- 7.4 The Owner shall not be deemed to have waived any of its other rights or remedies against the Contractor by exercising its right of termination under this Article.
- 7.5 Termination for Cause: This Contract may be terminated by the Housing Authority upon written notice to the Contractor for cause (failure to perform satisfactorily any of the Contract terms, conditions, and Work items) with no penalties upon termination or upon the occurrence of any of the following events:
- A. Continuing failure of the Contractor to perform any Work required to be performed hereunder in a timely and professional manner, or Contractor is not properly carrying

out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor; and should the Contractor neglect or refuse to provide a means for a satisfactory compliance with this Contract and with the direction of the Housing Authority within the time specified in such notices, the Housing Authority shall have the power to suspend the performance of this Contract by Contractor in whole or in part.

- B. Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Housing Authority may immediately terminate this Contract.
 - C. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the Work to be done under said Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor. Should the Contractor fail to comply with the terms of said Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Housing Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
 - D. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
 - E. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Housing Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.
- 7.6 Termination for Improper Consideration: The Housing Authority may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Construction Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any Housing Authority officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the Housing Authority shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by the Housing Authority officer or employee to solicit such improper consideration. The Report shall be made to the Housing Authority's Executive Director or designee.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

- 7.7 Termination for Convenience: The Housing Authority reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation, if any, shall be adjusted in such termination.
- 7.8 The Housing Authority's Quality Assurance Plan: The Housing Authority will evaluate Contractor's performance under this Contract on not less than a quarterly basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which the Housing Authority determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Housing Authority and the Contractor. If improvement does not occur consistent with the corrective action measures, the Housing Authority may terminate this Contract or pursue other penalties as specified in this Contract.
- 7.9 Non-payment after expiration or termination: Contractor shall have no claim against the Housing Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify the Housing Authority and shall immediately repay all such funds to the Housing Authority. Payment by the Housing Authority for services rendered after expiration/termination of this Agreement shall not constitute a waiver of the Housing Authority's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

ARTICLE 8 MISCELLANEOUS PROVISIONS

- 8.1 Contractor shall give all notices and comply with all laws, rules, regulations, ordinances and orders of any governmental entity relating to the Work. Should Contractor become aware that any provision of the Construction Contract is at variance with any such rule, law, regulation, ordinance or order, he/she shall promptly give notice in writing to the Owner of such variance.
- 8.2 It is hereby declared to be the intention of the parties that the sections, paragraphs, sentences, clauses and phrases of this Construction Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Construction Contract shall be declared unconstitutional, invalid or unenforceable by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality, invalidity or unenforceability shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Construction Contract.

In case of difference between Drawings and Specifications, the Specifications shall govern. In case of discrepancy within the Drawings, or within the Specifications, the matter shall be promptly submitted to the Contracting Officer, who shall promptly make a determination in writing. Any adjustment by the Contractor without such a determination by the Contracting Officer shall be at its own risk and expense. ARTICLE 10
ADDITIONAL PROVISIONS

- 10.1 This Construction Contract and the obligations of the parties hereunder shall be interpreted, construed and enforced in accordance with the laws of the State of California.
- 10.2 This Construction Contract contains the entire agreement between the parties. No variations, modifications, or changes hereto shall be binding upon any party hereto unless set forth in a document duly executed by or on behalf of such party. All prior negotiations, representations and/or contracts between the parties relative to the subject matters hereof shall be superseded hereby and have no further force and effect.
- 10.3 No consent or waiver, expressed or implied, by either party to or of any breach or default by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance of such other party hereunder. Failure on the part of either party to complain of any such act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder.
- 10.4 Without limiting Contractor's duties to indemnify and defend as provided in this Contract, Contractor shall procure and maintain, at Contractor's sole expense, for the duration of this Contract or as otherwise set forth herein, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. Such carriers must be admitted and approved by the California Department of Insurance or must be included on the California Department of Insurance List of Eligible Surplus Line Insurers (hereinafter "LESLI"). Such carriers must have a minimum rating of or equivalent to A:VIII in Best's Insurance Guide. Contractor shall, concurrent with the execution of this Contract, deliver to the Housing Authority certificates of insurance with original endorsements evidencing the insurance coverage required by this Contract. If original endorsements are not immediately available,

such endorsements may be delivered subsequent to the execution of this Contract, but no later than thirty (30) days following execution of this Contract. The certificates and endorsements shall be signed by a person authorized by the insurers to bind coverage on its behalf. Contractor shall provide the Housing Authority with certificates of insurance and applicable endorsements each year during the term of this Contract to evidence its annual compliance with the insurance requirements set forth herein. The Housing Authority reserves the right to require complete certified copies of all policies at any time. Said insurance shall be in a form acceptable to the Housing Authority and may provide for such deductibles as may be acceptable to the Housing Authority. Any self-insurance program and self-insured retention must be separately approved by the Housing Authority. In the event such insurance does provide for deductibles or self-insurance, Contractor agrees that it will indemnify, defend, and hold harmless the Housing Authority, its elected and appointed officers, officials, representatives, employees, and agents in the same manner as they would have been indemnified, defended, and held harmless if full coverage under any applicable policy had been in effect. Each policy shall be endorsed to stipulate that the Housing Authority be given at least thirty (30) days written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. Contractor shall give the Housing Authority immediate notice of any insurance claim or loss which may be covered by insurance. All certificates of insurance and additional insured endorsements shall carry the following identifier: Job Order Contract No.1.

The insurance policies set forth herein shall be primary insurance with respect to the Housing Authority. The insurance policies shall contain a waiver of subrogation for the benefit of the Housing Authority. Failure on the part of Contractor, and/or any entities with which Contractor contracts, to procure or maintain the insurance coverage required herein may, upon the Housing Authority's sole discretion, constitute a material breach of this Contract pursuant to which the Housing Authority may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Housing Authority, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Housing Authority shall be immediately repaid by the Contractor to the Housing Authority upon demand including interest thereon at the default rate. In the event of such a breach, the Housing Authority shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Housing Authority's rights against the Contractor or the insurance carrier.

When Contractor, or any entity with which Contractor contracts, is naming the Housing Authority as an additional insured on the general liability insurance policy set forth below, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.

- H. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the ground for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Housing Authority, or Commission contractors, consultants, vendors and agencies.

10.25 Compliance With Jury Service Program

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Housing Authority or a subcontract with an Housing Authority contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Housing Authority contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means forty (40) hours or more

worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Housing Authority, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify the Housing Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Housing Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this Section of the Contract may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Housing Authority contracts for a period of time consistent with the seriousness of the breach.

10.26 Notice to Employees regarding The Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheets are set forth in Attachment B of this Contract and are also available on the Internet at www.babysafela.org for printing purposes.

10.27 Contractor's Acknowledgment of Housing Authority's Commitment to the Safely Surrendered Baby Law

The Contractor acknowledges that the Housing Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Housing Authority's policy to encourage all Housing Authority contractors to voluntarily post the "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

10.28 Contractor's Charitable Contributions Compliance

The Supervision of Trustees and Fundraisers for Charitable Purpose Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purpose Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in Part C of the Contract Documents, the Authority seeks to ensure that all Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

10.29 Contractor's Warranty Of Compliance With County's Defaulted Property Tax Reduction Program

The Contractor acknowledges that the County of Los Angeles (County) has established a goal of ensuring that all individuals and businesses that benefit financially from the County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers. Unless the Contractor qualifies for an exemption or exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with the County's Defaulted Tax Program pursuant to Los Angeles County Code, Chapter 2.206.

10.30 Termination For Breach Of Warranty To Maintain Compliance With County's Defaulted Property Tax Reduction Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 10.29, "Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this Contract. Without limiting the rights and remedies available to the Housing Authority under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which the Housing Authority may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program, to Los Angeles County Code, Chapter 2.206.

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

Notice 1015

(Rev. December 2009)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2009 are less than \$48,279 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2010.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2009 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2009 and owes no tax but is eligible for a credit of \$829, he or she must file a 2009 tax return to get the \$829 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2010 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

*Los recién nacidos pueden ser entregados en forma segura al personal
de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles*

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
